A Beyond Ocean *Experience*

Join us as we explore these spectacular Islands in Mozambique and seek the perfect conditions for our kitesurfing and wing foil enthusiasts. This all-inclusive experience will offer incredible kiting in blue water paradise and will be hosted by Joshua Emanuel & Lorenzo Valenti as well as our team of instructors. The trip is open to everyone! Sand banks and butter flat water makes the spots ideal for any level of riding, whether you are a first time kiter or trying to advance your riding in different areas.

What to expect

- Early morning kite sessions in front of the Lodge
- Daily downwind from the kite spot back to the Lodge
- Epic African sunsets
- Whale & Dolphin viewing excursions
- Perfect conditions for riding progression
- Snorkelling & Exploring the Islands
- Delicious Seafood all caught locally
- Amazing footage of your riding & memories to take back home with you

...And of course great vibes!

Kiting Wing Foiling

Experience great morning kite sessions in front of the lodge and explore different spots based on the forecast for the day. Our team of IKO instructors will be assisting in lessons for any level of riding and the boat will be present at all times for rescues and transfers.

Experienced riders can enjoy a downwind back to the lodge in the afternoon, accompanied by a boat to assist with landing kites and to enjoy the African sunset. Another downwind, from Inhaca Island's Lighthouse to Portuguese Island, is also available for experienced riders. This requires organization beforehand and involves open ocean kiting, so experience in waves is necessary. A team member will guide and assist throughout the downwind, and a vehicle fee of **€15** per person applies.

Accommodation & Food

A beat on the drums calls everyone to the dinner table to enjoy our traditional Mozambican cuisine, whilst overlooking unspoiled views of the Maputo Bay.

Wine and hard liquor will be available at our fully stocked bar that overlooks the pool and will be at your own account.
